

ESC85 Battery-Powered Cable Cutter

Large Diameter Cables.....Easy Cutting

Cutting large diameter communications and underground power cables the old-fashioned way with hacksaws or reciprocating saws can be difficult and take a long time. The new ESC85 makes this task easy and fast, and it leaves a smooth cut. The large scissor style blades easily fit around cables up to 3-1/4" (85 mm). Simply place the blades around the cable and pull the trigger. The tool does the rest.

The combination of large scissor style blades and a head that rotates 360° makes it easy to position the tool to cut cables in tight locations. The ESC85 will also "pick-up" and cut cables that are lying on flat surfaces. It is also equipped with a side handle for greater control and versatility.

Because the ESC85 has a 2-speed pump system that advances the ram quickly until the blades reach the cable, cuts are completed in seconds depending on the cable diameter and material. As an example, it cuts 1000 kcmil URD in about 13 seconds. The ESC85 also increases productivity by automatically opening the blades when a cut is complete.

PRODUCT FEATURES

- **Two-speed pump** advances the ram quickly to start the cut.
- **Blades open automatically** when a cut is complete.
- **Scissor style blades** are easy to fit around cables.
- **Cutting head rotates 360°** for making cuts in tight locations.
- **Side handle** enhances operator control.
- **One-hour** battery charger, carrying case, and two batteries included.
- **Choice of 120 V, 12 V, or 230 V** battery charger.

CAPACITY

- **Communications cable:** 3.3" diameter (85 mm diameter)
- **Lead sheathed communications cable:** 2.5" diameter (64 mm diameter)
- **Copper power cable:** 3.3" diameter (85 mm diameter)
- **Aluminum power cable:** 3.3" diameter (85 mm diameter)

SPECIFICATIONS

- **Length:** 19" (486 mm)
- **Height:** 14 1/4" (362 mm)
- **Weight:** 14 lb. (6.3 kg)
- **Battery:** 12 V 2.0 Ah NiCd
- **Battery Charge Time:** 1 hour

ORDERING INFORMATION

CAT NO.	UPC NO.	DESCRIPTION	QTY
ESC8511	02741	Cable Cutter, 120 V charger	1
ESC8512	02742	Cable Cutter, 12 V charger	1
ESC8522	02743	Cable Cutter, 230 V charger	1
